1/26/**2009**~2/14/**2010**

In general you are bright, inspiring and easy going. You make an outstanding parent. You are best to marry a Snake or Rooster, but not a Sheep.

Career: Your positive attitude to work and your ability will be noticed by the boss and you will have good luck in your work situation this year. This is a good year to start a business. Your calm personality and get-things-done attitude will help to make you a success in business. Beware of jealous colleagues who are competing with you or have a conflict of interest with you. Do the important things yourself and don't believe everything that people tell you because they may not have your best interests at heart. The most beneficial people to work with this year are those born under the signs of the snake, rooster or rat.

Money: You have a good chance this year to easily obtain a lot of wealth if you steer a steady course and avoid rash investments. You may encounter a large expense that you cannot avoid but this will pass quickly and the rest of the year will allow you to accumulate money.

Romance: You will have good opportunities to develop love relationships this year without being troubled by external factors. Married people will have a stable emotional life. Single people will have lots of chances to meet a mate with the help of others such as relatives or friends in your social network. If you are already in a relationship, this is a good year to get married. The end of the year is a good time to have a child.

Health: Your health will be good this year and you will have the energy to achieve your goals. It is important to get away from work and relax every once in a while by traveling or getting together with family and friends. Older people should be careful not to injure bones and muscles by falling on slippery ground or while exercising.

2/14/**2010**~2/02/**2011**

You have a fighting spirit and are aggressive and courageous. You are sensitive and a deep thinker who is loyal to friends. Marry a Horse or Dog and beware of the Monkey.

Career: Your career and business problems of last year will gradually be overcome with the help of others. Your interpersonal relations at work will be good and your colleagues and friends will help you get ahead. Do not underestimate your competition. There may be hidden obstacles in the way of your promotion at work. The second half of the year will see better luck in your career. Be serious and responsible in your work and never be opportunistic. Be calm and meet difficulties in your business head-on.

Money: Your fortune with money is unstable this year due to strong negative influences from other zodiac signs. You must avoid unwise investments or wasting your money on useless or decorative items. Control your expenditures this year.

Romance: Your luck in love is good this year. Single people will find the right one easily, but if you do make a mistake, break it off quickly. If you are in a relationship, it will go smoothly with few conflicts. This is a good year to get married. Married people will find this is a good year to have a child.

Health: This is a good year for health. You are unlikely to have a serious illness but some old troubles may come back if you are not careful. Senior citizens and sports enthusiasts should avoid sprains and falls. Warm up before doing strenuous exercise. Do some travelling occasionally to relax from the stress of work.

3/02/**2011**~1/22/**2012**

You are talented and affectionate but shy. You seek peace. Marry a Sheep or Pig, not a Rooster.

Career: There could be career challenges this year such as slow growth for your company or business, obstruction by rivals at work and having to work harder for less money. Try not to change jobs this year, but if you do, make sure the new one is secure before you jump. You should take opportunities to get out of the workplace and go on business trips if possible. Use the advice and working cash of friends and relatives to overcome difficulties.

Money: Beware of lawsuits or disputes over money or you could suffer a financial loss this year. Be careful of cooperating with strangers in business interests and stick to prudent investments. A change in job or working environment may result in reduced income. Be careful of lending money to relatives unless you trust them.

Romance: Your luck in love will be average this year. Single people will have good luck with finding a mate in your social circles or workplace. Getting married could improve your luck this year. Prepare a wedding early in the year if you plan to tie the knot. Don't let problems with money or career get in the way of the relationship with your spouse. If you travel for work, keep in close touch with your spouse and make sure they know you are thinking of them. This is a good year to have a child after the month of May.

Health: You are more prone to accidents this year. Your luck may improve if you give a blood donation. You need to watch your mental and emotional state this year if you let work pressure build up. Insomnia, depression and mood swings are possible. You will be prone to inflammation, respiratory problems and gastro-intestinal complaints. Be careful about food hygiene in your daily life. Take good care of your bones and muscles during exercise and sports. Pay close attention to the health of your family and especially the elders in your family.

2/17/1988~2/05/1989 2/05/2000~1/23/2001

1/23/2012~9/02/2013

You are excitable and have a complex life. You are stubborn but soft-hearted. You are a born leader. You should marry a Monkey or Rat and beware of the Dog.

Career: You will be quick-minded, efficient and use your talents well this year. You will find many new opportunities and possibly have a major breakthrough in your career. Waste no opportunity to demonstrate your abilities to your superiors at work. You will be busy at work but you need to improve your professional knowledge and study in your spare time to further your career. This year is a good time to start a new business. Spring and summer are the best times to expand your business.

Money: Your luck with money is improved this year whether you are an employee or business owner. If you work for others, you can expect a raise if you prove yourself with hard work. Business owners can expect excellent profits, new customers and markets and you will receive help from others. Be careful not to gamble or speculate with your new profits or you will lose them. The month of August brings the best luck in wealth. The downside is that your expenses may be higher this year.

Romance: Your love relationships will be stable and smooth this year, leading to a good mood which benefits your whole family. Married people will enjoy a peaceful and harmonious life, especially if your spouse is a Rooster. Male Dragons should be tolerant with their wife to avoid discord in the marriage. Single people will have an active social life and will always stand out at parties, making it easy to meet potential mates. Those who are in a relationship should consider marriage this year to strengthen their bond.

Health: Your health may be unstable this year and you may easily get minor illnesses, colds or flu. Don't let these minor complaints become major health concerns. Gastro-intestinal problems are more likely this year so watch what you eat and get plenty of sleep and try not to consume too much alcohol.

2/04/1992~1/22/1993 1/22/2004~2/08/2005

You are intelligent and able to influence people. You seek knowledge, are talented, inventive, optimistic and not easily discouraged. Marry a Dragon or Rat but not a Tiger.

Career: You will have improved luck in your career this year. You will receive help from colleagues, friends and family. Avoid your habit of making rash decisions in your business and career as this could derail your progress. Think twice about your career development and you will be successful.

Money: Your luck with money will improve this year. Income may not be large but it will be stable, especially from work. Those who work for a paycheck will have good luck in wealth, especially civil servants. Sales people will have improved luck with their income this year. If you are a boss, try and broaden your investments outside your own business. Keep a good relationship with your employees or they will jump ship and your company's performance will suffer.

Romance: You will have good luck in your love relationships this year. Single people will have lots of opportunities to find a potential mate. If you are in a relationship, this is a good year to get married. If you are married, your relationship will be smooth with no serious problems. Female Monkeys may have to endure a long-term separation from their husband this year due to frequent business trips. Young female Monkeys may find that their charm is adversely affected by their flighty, impulsive nature.

Health: Bad luck in health is possible in the first half of the year, but the situation will improve in the second half. Your improved mood and relationships with others will help lift your mental state this year. There are fewer chances for accidents but beware of traffic safety while driving. You should be careful about the food you eat as you may be prone to stomach problems.

Fortune for 2017

The year of the Fire Rooster begins January 28, 2017.

People Born in Year of the Rooster

Born Between

2/08/**1921**~1/27/**1922** 1/26/**1933**~2/13/**1934**

2/13/**1945**~2/01/**1946** 1/31/**1957**~2/17/**1958**

2/17/**1969**~2/05/**1970** 2/05/**1981**~1/24/**1982**

1/23/**1993**~2/09/**1994** 2/09/**2005**~1/28/**2006**

You have a pioneer spirit, are devoted to work and quest for knowledge. Sometimes you are selfish and eccentric. Marry a Snake or Ox but stay away from Rabbits.

Career: The luck in your job or career is not extremely good this year. You should not make major changes in your job or big decisions affecting your career. Be careful in changing jobs as you may be faced with unexpected problems in a new work environment. You may have conflicts with new bosses and colleagues. If you own a business, you may suffer large losses if you make a bad decision. Think carefully and don't make impulsive moves.

Money: You will probably have a stable income if you work for others but you are unlikely to see any windfall profits. Choose stable, long-term investments and be happy with relatively low returns. You have opportunities to make money if you co-operate with others, but these chances may be fleeting and easily lost.

Romance: This could be a year of emotional turmoil due to your money and career problems. You will tend to be irritable, grumpy and suspicious, which may alienate your romantic partners. Single people will be able to meet many potential mates but they will have difficulty establishing meaningful relationships this year. If you are in a relationship, this is not a good year to get married. To improve your luck, try and celebrate a happy event of somebody else, such as a wedding or birth celebration.

Health: You have to watch your health this year. The risk of injury is high, especially in traffic accidents or sports. Pay close attention to the health of your family, especially to elders. Try and keep a positive attitude in the face of misfortune and use your resourceful nature to face your problems.

Fortune for 2017

The year of the Fire Rooster begins January 28, 2017.

People Born in Year of the Dog

Born Between

2/10/**1994**~1/30/**1995** 1/29/**2006**~2/17/**2007**

You are honest, loyal, generous but stubborn. You are earmarked for success. You are most compatible with Sheep or Rabbits but not with Pigs.

Career: You will have good luck in your career. Use your interpersonal relationships to help you learn things to improve your business. Beware of jealous people who may seek to undermine your efforts. Male workers will benefit from the assistance of others in their career. Females will have to work hard this year to maintain their achievements.

Money: You will be presented with many opportunities to acquire wealth this year. Your natural prudence will steer you away from high-risk investments and your wealth accumulation will be steady. Do not be greedy and use your natural abilities and you will have good luck in wealth.

Romance: Your luck in romance is good this year, especially for single females. Males will not be as lucky and may have a setback in their relationships. Beware of others who may try to break up your relationship. Stay loyal to your mate and spare no opportunity to show your loyalty.

Health: You may find that you are down in spirits this year, overly sensitive and be troubled by small things. You should vent your negative emotions by physical exercise or singing. Talk more with your friends and let them know your troubles. Pay attention to the health of your family, especially your elders, because their health is under a negative influence this year. Make sure that the elders in your family have regular health check-ups and see a doctor promptly if they have health problems.

Fortune for 2017

The year of the Fire Rooster begins January 28, 2017.

People Born in Year of the Pig

Born Between

2/16/**1923**~2/04/**1924** 2/04/**1935**~1/23/**1936**

1/22/**1947**~2/09/**1948** 2/08/**1959**~1/27/**1960**

1/31/**1995**~2/18/**1996** 2/18/**2007**~2/06/**2008**

You are shy but short tempered. You are kind and generous to loved ones. You are impulsive and honest. You are most compatible with Sheep and Rabbits but avoid other Pigs.

Career: Your career luck is not that good this year. Your relationship with superiors will be difficult and it will be difficult to get promoted. If you can get some help from a benefactor or mentor, it will help your career. You can help yourself by getting more education. This is not a good year to change jobs. You may do a lot of business travel this year and it may provide you with some valuable opportunities.

Money: This is not a good year for work income or unexpected cash windfalls. If you limit your spending you can avoid financial trouble. Investments will not go smoothly and you will have to keep close watch on the markets. Watch out for telephone or internet scams. Be prepared for unexpected expenses due to family health problems.

Romance: This is a bad luck year for romance. Single people will be unlikely to find the right romantic match even though they will meet many potential mates. They will often find that they are not in the mood to start a new relationship due to money and career difficulties. Married people will have better luck in their relationship and minor quarrels will resolve themselves quickly.

Health: In the first half of the year you may still have some problems with a low immune system and stomach upset. You should eat a light, nutritious and healthy diet. In the second half of the year your health will improve. Be careful of accidents when outside the home, avoid high-risk activities and watch out for food hygiene. Pay close attention to the health of older relatives.

Fortune for 2017

The year of the Fire Rooster begins January 28, 2017.

People Born in Year of the Rat

Born Between

2/18/**1912**~2/05/**1913** 2/05/**1924**~1/24/**1925**
1/24/**1936**~2/10/**1937** 2/10/**1948**~1/28/**1949**
1/28/**1960**~2/14/**1961** 2/16/**1972**~2/02/**1973**

2/07/**2008**~1/25/**2009**

You are ambitious, optimistic and honest but prone to spend money freely. You are quick to anger. You are compatible with Dragons and Monkeys but not Horses.

Career: Females will have good luck in their career this year and they will receive help from others. If they have been taking care of their career development and they have executive capability, rapid career advances are possible. Males will not have as good luck and will be vulnerable to outside influences such as jealous co-workers who will try to thwart their advancement. If your boss is a female Rat, you will get more recognition and promotions. Males should try and build good relationships with their co-workers so they can rely on them later at critical moments. The best business to be in this year will be service industries that serve women such as clothing, perfume and cosmetics.

Money: Luck in money is average this year. You will make ends meet with no serious financial losses. Avoid high-risk investments and seek unexciting but steady returns. No big cash windfalls are on the horizon. Keep your expenses in check, avoid borrowing and keep some money for emergencies.

Romance: Your luck in relationships is good this year. Males may meet women who are older or at a higher social or business level. Females may find a potential partner at work but may be distracted by their career advancement this year. Married people should be careful to avoid the charms of others if they want to avoid family strife.

Health: Luck with health is bad this year. Physical and mental problems can occur if you work too hard. If you are away from home, beware of accidents with loss of blood. Your luck may be improved by donating blood early in the year. You can also improve your luck by helping plan or manage an event such as a wedding.
