

Philip Lai Qi Gong Association Mission Statement

Philip Lai Qigong Association is committed:

- To enhance the health and well-being of our community and its citizens through the on-going promotion, education and practice of Traditional Chinese medicine (TCM), Qi Gong, Energy Healing, Tai Chi, Acupressure, Chinese Massage and meditation;
- To provide the opportunity for growth and development through regular classes and workshops;
- To increase our influence and success through a continuing program of instructor and Energy Healer training.
- To provide consultation and treatment to improve your health.
- To establish a culture that supports our team members and other practitioners in creating experiences where passion and purpose come together for you to achieve balance and harmony.
